Materials:

Seed beads size 11/0

Nylonthread 0,35 – 0,5 mm

1 round Bead 8 mm

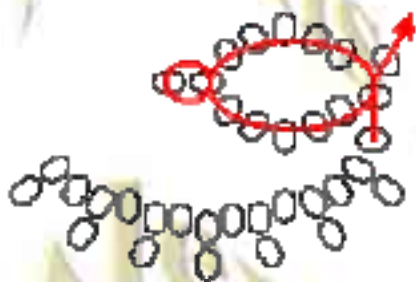

One picot: take two beads, go again through the first in the same direction.

The next picot: take three beads, go again through the second in the same direction.

Make 7 Picots.

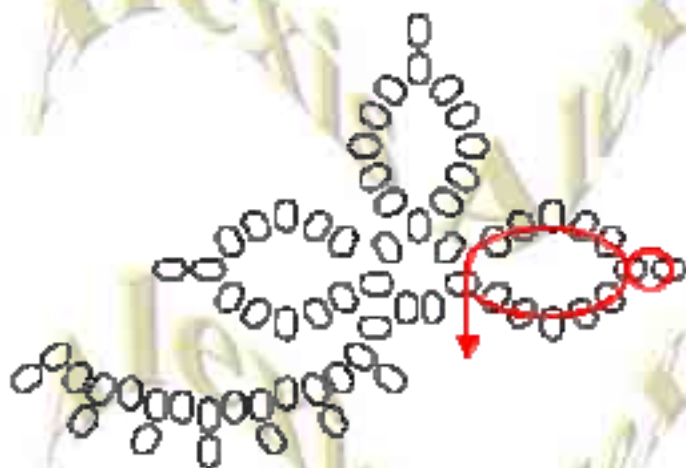

After the seventh picot: take 9 beads, go again through the 8. (same direction), take 5 beads and go through the 2. in the same direction as before:

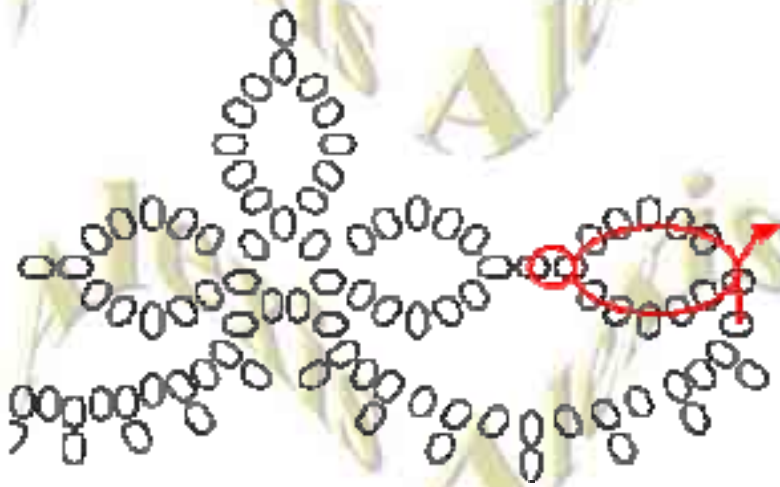

Repeat for a second point, then take 4 beads, go through the crossing bead of the first point, the next bead, the crossing bead of the second point and through the first two of this step:

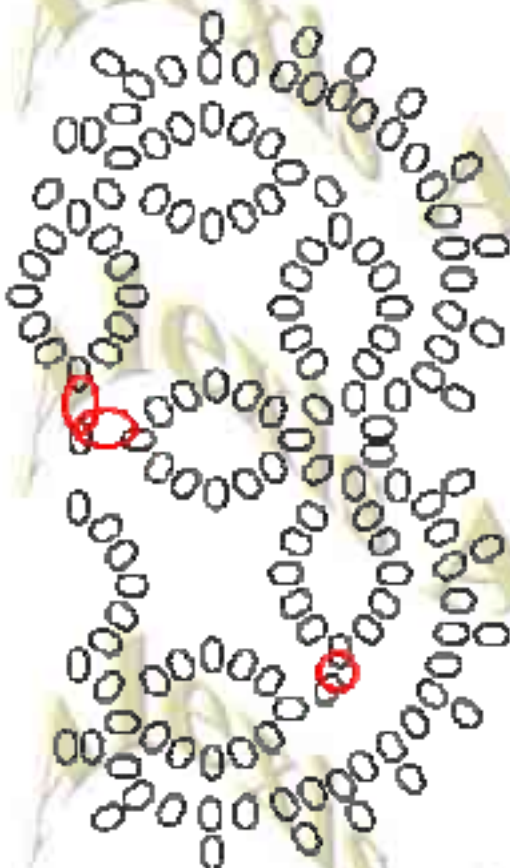

Make a third point:

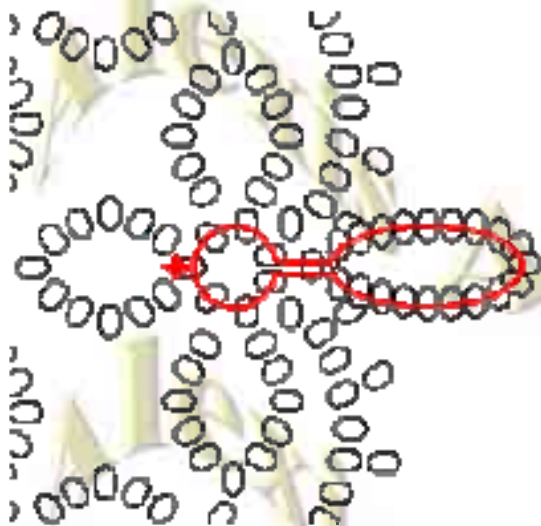

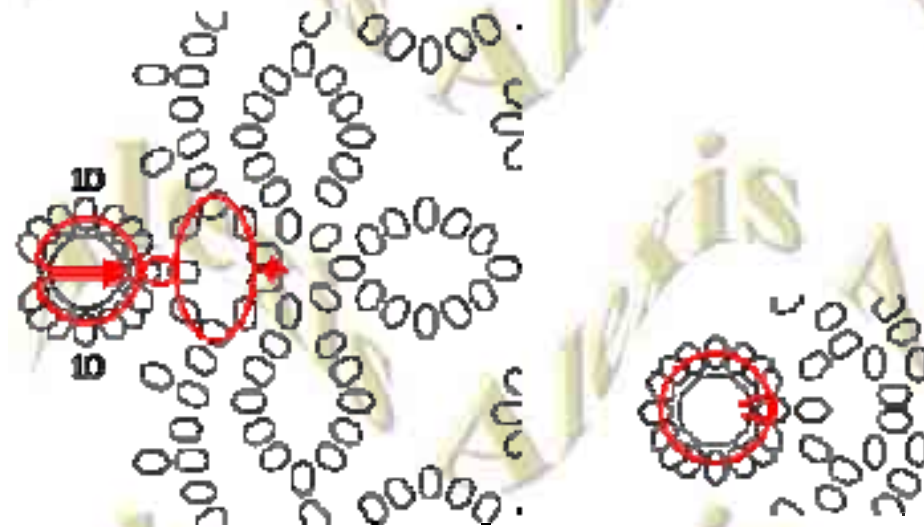

Make again seven picots, then take 8 beads for the next point, go through the picot bead of the neighbour point and again through the 8., take 5 beads ...

Make 9 picots for the curves at the ends of the bracelet, connect their points to their neighbours like in the diagram:

Take new thread for the closure and a new one for the loop, work with two thread ends. The ♦ marks the middle of the thread. Maybe you have to change the number of seed beads circling the round bead ...

The ring:
